

Greetings from The Spayed Club (TSC), a local 501c3 non-profit organization! We're a charity providing low-cost spay/neuter clinics and other essential veterinary care to dogs and cats. As we gear up for our ROAD RALLY SCAVENGER HUNT, we are counting on support from local businesses like yours to successfully raise funds for and awareness of our area's pet overpopulation. Donations can be made at www.thespayedclubclinic.org.

Start your engines as you're unleashed in the Kimberton area the morning of Sunday, October 23. Over two hours, teams will travel 20+ miles through beautiful northern Chester County to a surprise destination that you can enjoy on-your-own post-rally. We hope you join us!

Great Dane - \$500
